

ENVIRONMENTAL MANAGEMENT POLICY

Atlantic Digital (AD) is committed to protecting the Earth by supporting local and global environments. To

minimise environmental impacts concerning our activities, products and services, we shall:

- Comply with applicable legal and other requirements to which the Company subscribes which relate to its environmental aspects
- Include the consideration of environmental issues in strategies and initiatives
- Ensure that the company and all employees behave in an environmentally friendly manner
- Minimise pollution, reduce waste and decrease the consumption of resources
- Incorporate best-practice environmental management into our core business plans and management practices (e.g. reducing water and energy consumption, increase the proportion of recycled paper used in office machines and publications and increase waste recycling)
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner
- Encourage the adoption of ecologically sustainable work practices
- Investigate and purchase from suppliers that promote environmentally sustainable products and practices where possible

The Company is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers.
